**Ba Zi Chart Information**

Note: Geomancy.net uses the more accurate Lunar Calendar Ba Zi system (Click here to see why). So if you see a difference in the Month pillars as opposed to a Lunar mixed Xia / Chinese Solar / Season calendar; it means that you are in a 'gray period' / blind date where the data is different from Lunar date. We still use Seasonal Analysis using the Seasonal Calendar when needed.

**Detailed Analysis of your Luck Pillars**

A comprehensive analysis of each of 10-yearly Luck Flow Summary.

**Explanation**  
 This section shows you all the details of clashes and harms found in each 10-year luck period. This section does an analysis of the period, by going through the flow of the luck period. It will let you know the up and down periods of your 10-year luck period.  
 It does not necessary represent your yearly luck analysis. This is used to determine overall if your luck for this 10-year is good or bad. And this is done by doing a complex structure to check the changing influence from the 10-year, 5-yearly, yearly and 6 monthly luck changes. This will give us a SCORE to tell us generally how your luck influence changes.  
 In order to know if a particular year is good or bad, you should be checking for the yearly analysis which focus on the 10-yearly and yearly luck analysis along with the clashes which helps to determine if that year is good for you or not.
