Baby Auspicious Date Analysis

List of Ba Zi Analysed (30 Days)

This section give you a summary of the Baby's Birth element that reigns the day. Generally, a few hours in the day may alter the overall luck of the day, ie of Element of day is Strong Water, almost most hour will give you Strong Water, with an exception of a few hours might be weak Water. So if Strong Water is good for baby, then weak Water will not be (and vice versa). This helps you find which day would give an overall better luck before any further narrowing down to hour is even considered.
